
PhD in Science and Medical Biotechnologies

Please Note:

- The thesis must be written in English with a summary in both English and Italian.
- The thesis should present the research activities undertaken and results achieved with the split in the Introduction, Aim of the thesis, a number of chapters where the published, submitted or in preparation manuscripts are included, conclusions and future perspectives. Please note that at least 1 publication (no restriction for the authorship position) must be included as required by our rules.
- Minimum length: approximately 50 pages.
- Font and line spacing as desired by the candidate. Also the insertion of references is at the discretion of the candidate.
- The thesis must be sent in digital format (pdf file) to the external reviewers indicated by the tutor at least one month before the date of thesis discussion that it is usually scheduled within three months after the end of the PhD time period. The thesis has to be accompanied by a brief description of the research activities performed during the three year period of the thesis, including meetings and courses attendance, visiting periods in other laboratories ect.
- Once the thesis has got a positive feedback from the external reviewers that recommend it for the final discussion, the thesis has to be sent to the administrative office.

- Applicants must send the thesis PDF to Dr. Mario Repole (PhD Office, Rettorato di Vercelli), few days before the thesis discussion (no hard copy). Front cover of every PDF must display all the information indicated below:

Università degli Studi del Piemonte Orientale
Department of.....
PhD program in
Cycle
